

Welcome back and welcome to Year 2!!

Exciting news - school council elections will be taking place soon. All children who want to be on the council will do a presentation to explain why they want the role. Then there will be a vote! Does your child want to be on the school council? Talk to them about why they would be a good representative e.g. are they a good listener?

This week we have had lots of time to explore our classrooms and get used to new routines. We read "It's Okay to Be Different" and talked about what is different and the same about us and our learning partners. We even made our own class versions of the book.

The children have all chosen reading books to take and read at home. We are continuing with the reading bookmarks and encourage you to read at home with your children as much as possible. Remember to put the completed bookmark in the box in the hall.

We are continuing Ukulele lessons throughout the Autumn term. We have been using the iPad's to programme Bee-Bot's and will be learning how to code computers this term. In art, we experimented with colour mixing to make different shades. We then matched the colours we had made to colours we found outside in our outdoor learning and plan to give them different names.

At home you could:

- ☺ Start looking for any signs of autumn outside with your child
- ☺ Practise counting in 1's, 2's, 5's and 10's from any number
- ☺ Ask the children to tell you about our golden rules. They could draw a picture of them doing one of the rules.

This term Beech Class will swim on Tuesdays and do PE on Thursdays. Sycamore Class will do PE on Mondays and Tuesdays 5. Outdoor learning is on Thursdays and children must have their wellies for this.

We are looking forward to an exciting new school year ahead ☺

If you have any questions, please ask us.

Year 2 Team
