Dear Family

At Nelson Infant School we run a very successful breakfast club in conjunction with NORSE.

It is well known that a good breakfast sets you up for the day and for school age children it makes a difference to concentration and attention. Breakfast Club aims to provide the highest possible standard of care in a secure, caring and supportive environment, where all children feel comfortable and happy, before starting the school day. Please be assured that breakfast club staff follow existing school policies for safeguarding and child protection and that all staff hold current DBS clearance.

**Breakfast club is currently free of charge to all those that attend. Due to the high demand we will be introducing a booking system to enable us to ensure we have adequate staffing.**

**If your child is already attending breakfast club their place will continue but please return the form confirming which days you would like your child to attend.**

**If you wish to book a place for the first time, we will confirm you have a place via text.**

**Children will not be able to attend breakfast club without prior booking. Should you wish to book a day at short notice please call the school office on the above number who will be able to advise you of the availability**

Please tick below which days you would like your child to join us at breakfast club.

Childs Name.....

Monday	Tuesday	Wednesday	Thursday	Friday

Does your child have any dietary requirements? .....

**Please note that breakfast club starts at 8.00am. The school will not be open for children before this time.**

Yours sincerely

Ms V McConnell, Headteacher
