Dear families,

With the current nationwide situation of Corona Virus now being deemed a pandemic, the school is making some temporary, minor adjustments to our usual routine to ensure we are doing the most we can to contain the spread and reduce risk of infection:

- Parents will **not be allowed** to come into the school building, please take your child to their outside classroom door where they will be escorted into class by staff.
- Should you **need** to come into school please **only** enter via the main reception (where alcohol gel is provided at the office for your use).
- For this interim period parents will **not** be invited to celebration assemblies.
- Parent's evening will be postponed until next term.
- In class the children will be taught how to wash their hands effectively and more often.

Should you require any further information, there are lots of great resources online about staying safe:

Thank you for your support in keeping our school community safe.
