

Seesaw parent updates and support

Dear families,

Please find below links to youtube videos for using seesaw at home and supporting your children. They contain helpful hints and tips that may be useful when you are helping your children with their home learning. I hope that these videos are useful and help with your user experience whilst supporting home learning and using seesaw.

Seesaw Parent Training Video - <https://youtu.be/gb5DRA39QWM>

Using Google Translate on Chrome - <https://youtu.be/BJD9skoRhFw>

Below are the relevant links to allow you to use the seesaw family app as mentioned in the parent training session - these links are specific for each class/year group.

From your computer:

1. In a web browser, go to the link below that is relevant to your child
2. Choose your child from the list
3. Create your account
4. Your class teacher will approve your access to seesaw family
