Dear families,

As mentioned on yesterday's newsletter:

From January onwards families will need to use the Pupil Asset Parent App to order lunches.

If you have not yet done so, please download the Parent App from App Store (iOs) or Play Store (Android).

Then follow the First Login/Forgot Password steps to set up.

If you prefer to use a computer, there is also the option of Parent Portal <http://secure.pupilasset.com>

There is also now a feature for you to report if your child is absent from school. Any absence MUST be reported by 9am—you can still call the office, leave a message or send an email too.

If you have any problems please contact the school office BEFORE the end of term as we will be using the App from the first day we return in January.

A paper version of the App guide emailed to you will be sent home this week too.

Kind regards, Nelson Infant School.
