12th May 2021

Dear parent/carer,

Religious Education at Nelson Infant School aspires to respect and promote each child's innate capacity for curiosity and spirituality. We promote and value religions throughout their journey in our school and encourage our pupils to acquire and develop the knowledge, understanding and skills of the principal religions represented locally and in the wider world. Through Religious Education, our pupils develop their knowledge of the world faiths, their understanding and awareness of the beliefs, values and traditions of other individuals, societies, communities and cultures.

The week commencing 24th May 2021, Nelson Infant School will be celebrating 'Religions from around the world'. Each year group will focus on a religion and develop their knowledge and understanding of its beliefs, values and traditions:

Reception: Islam

Year 1: Hinduism

Year 2: Judaism

We would love to draw upon our communities' expertise, if you feel you are able to contribute in anyway during this week please email office@nelson.norfolk.sch.uk

If you have any further queries about this week, please do not hesitate to contact the school.

Kind regards,

H.Howard
