

w.c. 27th April

Year 1

Weekly Maths Tasks (Aim to do 1 per day)

- White Rose Maths – follow the link - <https://whiterosemaths.com/homelearning/>
- Play on [Hit the Button](#) - number bonds, halves, doubles and times tables.
- Look in the cupboards and the fridge. Sort some of the foods you can find into different groups. Which food group has the most or least amount of items? Which item of food is the lightest or heaviest? Why might this be?
- Play the game [Fruit Fall](#) - answer the data handling questions based on how many pieces of fruit you catch.
- Choose and draw a 2D shape of your choice. List how many sides, vertices and lines of symmetry it has.

Weekly Reading Tasks (Aim to do 1 per day)

- Bug Club – look on Seesaw for your login details to find your reading books and activities.
- Read out aloud the ingredients on the back of a tin or cereal box to an adult?
- Can you add the sound buttons onto three words?
- Find a cooking book in the house or online and read the ingredients needed to make something.
- Find a food leaflet in the house and read some of the items. Make a list of the food in alphabetical order and add on sound buttons.
- Read a variety of books and make a list of all the different types of food you find.

Weekly Phonics/Spellings Tasks (Aim to do 1 per day)

- Daily phonics - your child to practise their sounds and blend words. Watch the phonics videos following the link on Seesaw.
- www.spellingshed.com – games and activities - see message and login details on seesaw for individual children
- Spell the days of the week
- Spell common exception words

Interactive games can also be found on links below.

- [Phonics play](#)
- [Top Marks](#)
- [Spelling City](#)

Weekly Writing Tasks (Aim to do 1 per day)

Jack and the Beanstalk: Through the week focus on characters and events in the story so that towards the end of the week you will be ready to adapt and write your own version.

Individual activities posted each day on Seesaw.

- Identify a problem and a resolution.
- Distinguish between characters, setting and events.
- Adapt and change elements of a story.
- Box up a story with beginning, middle and end.
- Write your own version of the story.

Learning Project - to be done throughout the week

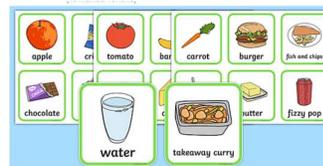

Growing and Seed Diaries – learning information on Seesaw

Food - opportunities for your child to learn more food. Learning may focus on where different foods originate from, what makes a healthy meal, opportunities to cook etc .

Balanced diet: Show your child this [video](#) about how to have a balanced diet.

Play these [games](#) about healthy eating.

What do we have today? Look in the kitchen to see if you can create an A-Z list of foods.

Fruit and vegetables - Draw pictures of fruit and vegetables in your house. Label the fruit and vegetables and place in alphabetical order.

Sorting activity: Collect food from the kitchen and sort into healthy and unhealthy foods.

Design a poster - think about the foods you like to eat and food that you need to eat to keep you healthy. Create a poster that you can put in the kitchen or in the school hall. Will you be able to use any food wrappers or make your poster interactive?

Healthy lunchbox: can you play this [game](#) and make a healthy lunchbox?

Traditional food: Many cultures have various dishes of food to celebrate their festivals. Find out about a festival and compare it to a different festival. What are the similarities? What are the differences? How is the food prepared? Do you have any traditional food you enjoy with your family?

Restaurant: Can you plan a menu? Think about what you would like to have on your menu. Can you design a menu for a vegetarian? Can you design a menu for a vegan? Will you have options on your menu for people who have allergies?

Look around the house for any leaflets or take away menus. What price is the food? Can you do any meal deals?

Designing a school menu. Can you design a new school menu? What could you add? What would you keep the same? Will it be a healthy school menu? Can you find pictures or draw pictures to add to your menu? Plan out your menu and remember to include prices.

Will you have a different menu every day?

DATES	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
AM SNACK					
LUNCH					
PM SNACK					

Cooking: find a few recipes and check if you have the ingredients at home and cook a meal for your family. Think about a starter, main and dessert. Can you cook as a family? Who will do the measuring?

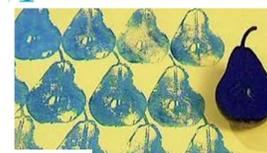

Fruit survey: ask in your family the different fruits they like to eat. Collect the information and add it to your tally chart. Can you represent this information in a particular way?

Favourite Fruit Survey Pictogram

Which fruit is the most popular in your class?

Fruit	1	2	3	4	5	6	7	8	9	10
apple										
banana										
orange										
grape										
strawberry										
peach										
watermelon										
pineapple										

Fruit and vegetables printing: Look at the [work](#) of the artist: Lynn Flavell. How does she represent fruit and vegetables? Can you create a piece of artwork in the style of Lynn Flavell.

Look at the work of Giuseppe-arcimboldo

Using different drawing materials, can you create a picture of your own?
