

W/C 01.06.2020: Learning Project Year 1

Weekly Reading Tasks	Weekly Phonics Tasks
<p><i>Continue to access your child's reading books on Bug Club and Oxford Owl (links are on seesaw) Some other ideas:</i></p>	<p><i>Continue to access phonics and spelling activities on spelling shed (links on seesaw). Some other ideas:</i></p>
<p>Monday- Follow the story Here We Are by Oliver Jeffers with your child (this link will take you to the story being read aloud). What makes our world so special? Using the story, your child can make a list.</p>	<p>Monday- Phonics Videos – follow this link for phonics videos – there is a different sound each day and select the level suitable for your child. https://www.youtube.com/channel/UCo7fbLgY2oA_cFCIq9GdxtQ</p>
<p>Tuesday- Talk about the book from yesterday and which is their favourite page of the 'Here We Are' story - why is it their favourite?</p>	<p>Tuesday- Spelling Shed - https://play.edshed.com – Practise the new lists for this week.</p>
<p>Wednesday- Draw and label a picture from a part of the 'Here We Are' story.</p>	<p>Wednesday- Write the letters of tricky words (look at tricky – common exception words - word mats for ideas or choose your own!) in chalk on the ground outside. Give your child a word and they must spell it by jumping from letter to letter. This could also be done on paper inside the house.</p>
<p>Thursday- login to epic reading and find a book about our world to read together. Check the link on seesaw if you can't remember how to log on.</p>	<p>Thursday- Spelling Shed - https://play.edshed.com – have another go at this week's words.</p>
<p>Friday- Fact finding – use the books we have looked at this week. Ask your child to draw a picture and write a caption to share an interesting fact they have found out about our world.</p>	<p>Friday- The word 'around' contains the sound 'ou'. Ask your child to list as many words as they can containing the 'ou' sound. Your child might identify words that contain an alternative spelling for 'ou' such as ow.</p>
Weekly Writing Tasks	Weekly Maths Tasks
<p>Full details and examples will be on seesaw for the activities below. Lots of our Reading and Writing activities this week will be around the 'Here We Are' book shared on the link above.</p>	<p>White Rose Maths online maths lessons – links and resources will be on seesaw daily. IXL- interactive games - Click here for Year 1 Here are some more ideas you might want to try at home to reinforce learning...</p>
<p>Monday- Writing a list about what makes our world special.</p>	<p>Monday- Ask your child to have a go at the online game for subtraction facts up to 20.</p>
<p>Tuesday- Ask your child to describe what is special to them. They could draw a picture of themselves and then add labels.</p>	<p>Tuesday- Give your child a number between 1 and 50 and ask them to list how many ways they could make the number using subtraction. Try 20 if this is too hard.</p>
<p>Wednesday- Write captions to go with the story pictures.</p>	<p>Wednesday- Ask your child to write a subtraction number bond to or within 10 - e.g. $9 - 4 = 5$ or $7 - 2 = 5$. Can they use these facts to find out the subtraction facts up to 100? E.g. $90 - 40 = 50$ and $70 - 20 = 50$.</p>

Thursday- What can we do to look after our world? Ask your child to plan out their ideas. They can use the template on seesaw or plan their own way.

Thursday (theme)- Look at flags from around the world either in books or on the [internet](#). Ask your child to list any shapes they see and name any of the shapes they find.

Friday- Design their poster about how we can take care of our world.

Friday-Encourage your child to practise different ways to subtract by playing these different [activities](#).

Learning Project - to be done throughout the week

This week we are thinking about Our World...Here are some activities you might like to try at home...

Science: Finding out more about Earth.

Find out about the seasons. <https://www.bbc.co.uk/bitesize/topics/zkvv4wx/articles/zcx3gk7>

Why do we have seasons? <https://www.bbc.co.uk/programmes/p04wf449>

Why do we have day and night? <https://www.bbc.co.uk/bitesize/clips/zxcxnbk>

Helping Our World

<https://www.bbc.co.uk/bitesize/clips/z8s87hv>

https://www.youtube.com/watch?v=OasbYWF4_S8

Feelings-Talk about how you feel? Think of the reasons why you might feel that way. Who can help?

Listen to the story 'Ruby Finds a Worry' <https://www.youtube.com/watch?v=VCyiiHI2SJU>

Feeling worried and ways to help poster. (Seesaw)

- **Flags-** Look at [flags from around the world](#) with your child. Discuss which are your child's favourites and why? Ask your child to recreate their favourite; this could be through drawing, collaging etc. Can they place the flag on a map?
- **Dance Around the World-** Watch the following dances: [Diwali Stick Dance](#), [Maypole Dancing](#) and [Spanish Flamenco Dancing](#). Encourage your child to have a go at some of the moves used in these videos.
- **Food Tasting Fun-** Find some different fruits from around the world. This could include: mangos, kiwis, pineapples, bananas. Encourage your child to try them and have a discussion about which ones they liked and which ones they did not like. Cut the fruits open and task your child with sketching the inside of each fruit. Remind them to look closely at the patterns and shapes.
- **Where in the World? -** Have a discussion with your child about your own family heritage. Discuss with them your traditions and where your family originates from. This may be where you live now or it could be somewhere completely different.
